

386-B

ADEK 386-B 3U Chassis

Features

The ADEK 386-B 3U rack mount computer case offers two 5.35" and one 3.5" external bay as well as two front mounted USB ports. The plate on the left rear of the case can be changed to accommodate different size power supplies. There are a total of three plates available; 1U, 2U or 1U-mini. These optional ball-bearing sliding rails are ideal for all mounting requirements. Rails are available in 18", 22" and 24" sliding range capacities. Choose the size best suited for you. The ADEK 386-B is designed for standard ATX motherboards. This case requires a 1U, 2U or 1U-mini power supply. Power supplies are also available from ADEK, as are a variety of motherboard options.
