

AD-102

1U Industrial Rack Mount Computer

Features

- 1U height, rack mount, 18" depth
- Supports full size PICMG single board computers
- 1U PICMG 1.0 butterfly backplane
- External bays: 1 x 5.25" slim, 1 x 3.5" (removable & lockable)
- Three 40 mm cooling fans for reliable performance even in warm environments
- Front mounted LEDs for fault indication, HDD activity and power
- Four built-in USB ports (two on front, two on rear)
- Dimensions: 16.79" W x 18" D x 1.73" H

Combining exceptional performance in a slim design, ADEK can configure our AD-102 1U industrial rack mount computer to provide all the power you need. It offers a backplane design to accommodate full size single board computers and add-on cards. Its slim height measurement makes it a natural for applications in which space is at a premium, yet it boasts enough space for a variety of drive bay configurations including removable hard drives. In addition to the four front-mounted intake fans, the ADEK 102-B also incorporates a rear exhaust fan for exceptional cooling.
