

ICYDOCK-MB994IPO-3SB

MB994IPO-3SB 5.25" Drive Bay for Slim Optical and 2x Removable 2.5" SATA III Drives

The MB994IPO-3SB is a full metal drive bay for dual 2.5" SATA/SAS 6.0 Gb/s drives, along with a slot for a slim optical drive, all for use in a single external 5.25" bay. Ventilation slots on the front and back for maximum airflow. A drive-status LED is placed on the front of each drive tray.
